Draft resolution submitted by the President of the General Assembly

Review of the United Nations peacebuilding architecture

The General Assembly,

Recalling its resolution 60/180, in particular paragraph 27,

Reaffirming the importance of the peacebuilding work carried out by the United Nations, and the need for sustained support and adequate resources for this work,

Recognizing the role of the Peacebuilding Commission as a dedicated intergovernmental advisory body to address the needs of countries emerging from conflict towards sustainable peace,

1. *Welcomes* the report presented by the co-facilitators entitled "Review of the United Nations peacebuilding architecture",[1] which is based on extensive consultations with the United Nations membership and other stakeholders;

2. *Requests* all relevant United Nations actors to take forward, within their mandates and as appropriate, the recommendations of the report with the aim of further improving the effectiveness of the Peacebuilding Commission;

3. *Recognizes* that the peacebuilding work of the United Nations requires sustained support and adequate resources to meet the challenges;

4. *Requests* the Peacebuilding Commission to reflect in its annual reports progress made in taking forward the relevant recommendations of the report;
